RESIDENTIAL AND COMMERCIAL AERIAL REAL ESTATE PHOTOGRAPHY

Mountain Point Photography's aerial commercial and residential real estate packages create stunning images that will stay in the minds of your customers, clients and potential buyers long after their visit to your property or website. We have residential aerial only packages starting at **\$299** that include 10 professionally edited aerial images of the home, grounds, lot and neighborhood in high resolution print ready image formats. Your package will also include several short video clips of zooms and pans that include the subject property and highlighted features. Full residential sales photo packages that include aerial images, as well as professionally photographed inside and outside digital images, start at **\$499** and include up to

30 professionally edited high resolution images ready for print, social media or the web. We also travel outside our home area of central Anne Arundel County for additional travel costs and can quote larger commercial jobs on an hourly or project basis. Call or email us for details and a quote for your project. We specialize in waterfront properties and can photograph from our custom 26' center console boat on the water. For private homeowners, we offer a *try and buy* package of only **\$199** for an aerial filming session, with professionally edited

photos that can be reviewed and purchased right from our website, in multiple print sizes or the digital files, for a reasonable per photo price.

ACTION WATERSPORTS PHOTOGRAPHY AND VIDEOGRAPHY

We also specialize in action watersports and water event photography. From your next waterskiing, wakeboarding or watercraft outing to your next charter or family fishing trip, capture the memories in professionally shot and edited 2K or 4K aerial video and high resolution photographs. We operate from our custom 26' center console and capture your moments on the water up close and personal, and will provide you with a selection of photographs and YouTube ready videos professionally edited and

soundtracked to make your next waterborne adventure a viral social media event! Packages start at **\$299** for a 2 hour filming session after which you can choose only the photos and videos you want to purchase, at reasonable prices, right from our website. All filming preferably done on the Magothy River but we can travel to your favorite location for additional costs.

Why not make your next fishing trip, sailing adventure or simple cruising adventure on the Chesapeake Bay one that can be shared and remembered for years to come with professional

photography and videography that will make you the envy of social media and YouTube. Like our marketing videos for the marine industry, your package will include professionally soundtracked and edited videos and high resolution photographs of the day's events shot from our aerial drone and from our 26' custom center console for up close and personal imagery. Packages start from **\$299** for a two hour filming session after which your group can

choose the photos and video media they want to purchase, at reasonable prices, directly from our website. Travel outside of the Magothy River area may incur additional travel expenses.

Sailing the Chesapeake is one of this region's most cherished past times. It can be a beautiful and relaxing sunset cruise or an exhilarating and action packed race to the finish line, but either way we can document it for you, both in

professional photographic images that you will be proud to frame and hang on your wall, to YouTube soundtracked videos of your action packed race or lazy cruise. If you sail on or around the Magothy River our package prices start at **\$299** for a full 2 hour filming session. Why not get your group or race club to sponsor the filming session then each member can choose to purchase any professionally edited photographic or video media they like, directly from our website, at reasonable prices!

SPORTS AND SPECIAL EVENT PHOTOGRAPHY

Let *Mountain Point Photography* capture your next school, group or private sporting event. We specialize in youth, high school and college action photography and can capture those intense competitive moments of your favorite player, up close and personal, in all its glory and

pageantry. For a **\$299** two hour session fee, we will document the entire game or event and create as many professionally shot and edited photos as time allows that can be privately viewed and shared with your group, family or team, directly from our secure website, where you only purchase the photos you like and want, in various sizes and finishes, at reasonable prices. All images will be professionally edited and color corrected and are suitable for framing and displaying proudly. Only

want photos of *your* special player or teammates? You book and pay the **\$299** two hour filming session fee and tell us who your favorite player(s) are and we will capture only those special people, in many action and casual shots, professionally edited and privately posted on our website for your review and purchase!
